DEVELOPING YOU AS A VOLUNTEER

Are you currently a volunteer looking for some personal and professional development?

If so, this series is for you! Grow and gain the tools necessary to successfully serve your community and prepare for your professional career.

MANAGING YOUR VOLUNTEER CAREER

October 18

Manage your records, build your resume, dress for success, network and gain helpful interview skills.

PRESENT LIKE A PRO

November 8

Learn methods that help to reduce anxiety, build confidence, and customize a process for successful speaking experiences.

SUPERCHARGE YOUR THINKING

November 29

Break out of mental ruts by learning how to ask the right questions, think beyond "now" and let your imagination kick in!

Open to all authorized patrons.
