Inns of the Corps Now Accepting Online Reservations

HQMC (MR) QUANTICO, VA – Beginning today, you can make reservations at Marine Corps Community Service (MCCS) operated Temporary Lodging Facilities (TLFs) by going to www.innsofthecorps.com.

The new online reservation system is another MCCS customer service initiative. MCCS operated TLFs are conveniently located on base and offer the amenities of a mid-market hotel. New TLF design and operating standards are being developed to ensure guests enjoy a great lodging experience whenever and wherever they stay at an Inns of the Corps property.

“Reservations are just a click away” stated Siddhi Patel, Hospitality Specialist with the Personal and Family Readiness Division, HQMC.

All you have to do to make a reservation is visit the website and choose the TLF you want to stay in; input the dates of travel, number of people, purpose of visit, and status (active duty, retired, civilian). The reservation system will generate a listing of available room types with their picture, rate, and amenities offered. Select the room type, enter the required information, and click submit. A confirmation number will be provided and a confirmation message will be emailed to you. The online reservation system can also be used to modify, view, or cancel reservations.

The Inns of the Corps TLFs offer quality, short-term accommodations for active duty on Permanent Change of Station (PCS) orders, personnel on temporary additional duty (TAD), and authorized patrons on leisure travel. Patel added, “Reservations are recommended, as many TLFs are booked far in advance. PCS personnel may book reservations at any time, while those on TAD and leisure travel may book up to 30 days in advance.”

According to Patel, the TLFs participating in the new web site reservation service include the Dos Rios Inn, MCAS Yuma; The Miramar Inn, MCAS Miramar; South Mesa Lodge and Ward Lodging, MCB Camp Pendleton; Sleepy Tortoise Lodge MCAGCC Twentynine Palms; The Lodge at Kaneohe Bay, MCB Hawaii; Lejeune Inn, MCB Camp Lejeune; de Treville House, MCAS Beaufort; Westpac Lodge, MCB Camp Butler; and Monzen/Nishiki Lodges, MCAS Iwakuni. The Crossroads Inn at MCB Quantico and the Oasis Lodge at MCLB Barstow are not participating in the new reservation system, but the new site does have their contact information for making reservations.

For more information go to the new reservation site at www.innsofthecorps.com or contact your installation TLF manager.
