Care Package Day is Everyday

Send a Care Package to your deployed Marines or Sailors! MCCS is now offering weekday (except Federal Holidays) mailings.

We provide the flat rate APO/FPR boxes, tape, custom forms, and labels. Sorry we don't have packing peanuts. The only requirement is that the package NOT be opened prior to sending.

For each package sent, the sender will receive a \$10.00 coupon for use in the Main Exchange (it cannot be used at Seven Day or any other Retail facility); coupons expire at the end of 2011.

The flat rate prices are \$10.35 for the small box and \$11.95 for the larger box.

Senders may provide their own packaging, but they will pay the adequate postage for that size and weight.
